

Logitech is a world leader in personal peripherals, driving innovation in PC navigation, Internet communications, digital music, home-entertainment control, gaming and wireless devices. The company's products combine essential core technologies, continuing innovation, award-winning industrial design and excellent value. Logitech International is a Swiss public company traded on the SIX Swiss Exchange under the symbol LOGN and on the Nasdaq Global Select Market under the symbol LOGI.

For our EMEA HQ, based in **Morges (Switzerland)** we are seeking to recruit a motivated Bachelor or Master student to join our E-Commerce team. This is an unique opportunity for a student to have a first working experience with an international Consumer Electronics Company. As an

E-Commerce Intern (W/M)

You will be part of the world-wide e-Commerce team by assisting them in various duties to help accelerate Logitech.com sales in the EMEA. For a period of **6 months**, you will work closely with the Business & Development Manager and **you will be responsible for** :

- Coordinating stock inventory and products set up in different systems
- Coordinating content management for product promotions and related communication
- Coordinating the execution of direct marketing campaigns targeted at Logitech.com customers
- Reviewing Logitech.com's experience to improve customer experience and sales

The successful candidate :

- Bachelor or Master Degree in Business or IT
- Strong knowledge of MS Office (Word, Power Point, Excel)
- Familiarity with basic web technologies such as HTML and photo editing tools like Photoshop
- Basic understanding of marketing concepts
- Autonomous, creative, dynamic, team-spirit and willing to learn
- Fluent in English (written and spoken). Proficient in German or/and in French would be highly preferable. Any other European language, like Spanish or Italian would be an asset.

If you would like to be part of this fast moving professional team in an international working environment, you may apply by E-mail to the following address:
